## ÇA CLAQUE IN THE HEART OF CANADA!

Since October 2009, the members of Ça Claque! have been promoting and celebrating French-Canadian folklore.

Ça Claque! fuses the energy and creativity of their talented musicians with the elegance and technique of their gifted dancers and offers audiences world-class entertainment that will keep you captivated from the first note of the fiddle to the last step of the gigue.

After having refined their talents over the years within various folk groups all over the province of Manitoba,

the members of Ça Claque! joined forces in order to reach beyond established folk traditions and present a repertoire peppered with contemporary components. Their goal is to keep their French-Canadian and Métis cultures alive at home and abroad.

Since its inception Ça Claque! has recorded a 4 track demo CD and a 12 track full-length CD, the latter was nominated for a 2013 Western Canada Music Award in the *Francophone Recording of the Year* Category.

The group has represented Canada internationally in Costa Rica, Peru and Chile and has participated in countless local, national and international festivals. In July 2014, the group performed at the Calgary Stampede - National Music Centre VIP Private Reception - alongside Paul Brandt, Jim Cuddy and Buffy Sainte-Marie
